

## DIRECTIONS

### ACCESSCENTRAL Assessment Centre, Portland House, Bressenden Place, Victoria, London SW1E 5RS

Portland House is a few minutes' walk from Victoria station and is a 27 storey building with a large glass reception entrance.

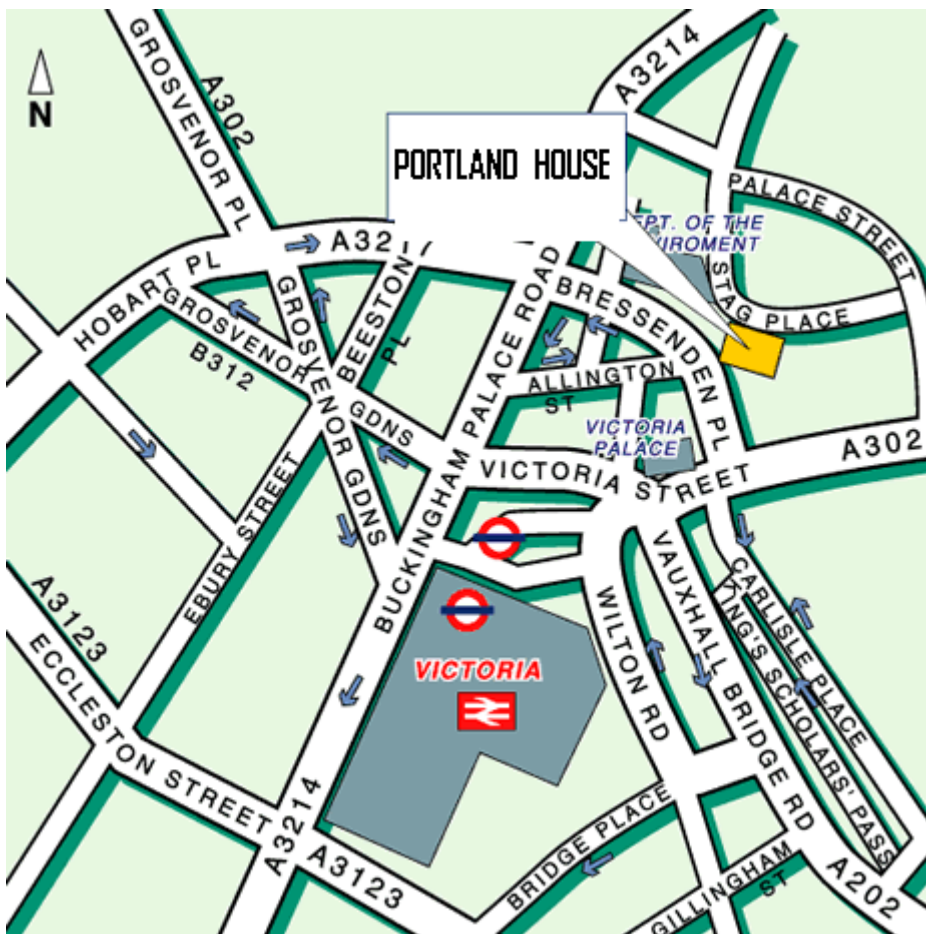

Your assessor will send you instructions of what to do when you arrive at Portland House as it can be quite complicated due to the layout of the building and the security arrangements.

When you report to the main ground floor reception ask for **ACCESSCENTRAL**. You will be directed to the lifts: we will collect you from reception when you arrive on our floor.

Portland House is located between Cardinal Place and Bressenden Place, within a five minute walk of Victoria mainline and Underground station (Victoria, Circle and District Lines) and Victoria Bus Station.

If you are coming from Victoria railway/underground station, come out of the main entrance, look out in front of you and over the bus stops, and Portland House is the tallest building behind the Victoria Palace Theatre (showing Billy Elliott at the time of writing this!)
